Pursuant to Local Rule 6-2, plaintiff Mobile Storage Technology, Inc. ("MST") and defendants Fujitsu Limited, Fujitsu Computer Products of America, Inc. and Fujitsu America, Inc. (collectively, "Fujitsu") hereby stipulate and agree as follows: to and request an order staying the litigation, including all hearings and the filings, exchanges, briefings, and/or hearings provided for under the Patent Local Rules and the service of and/or response to any discovery served by any party, for at least 30 days.

WHEREAS, on March 31, 2010, MST and Fujitsu participated in a court-ordered private mediation before the court-appointed mediator, Daniel Bergeson;

WHEREAS, during the mediation, the Parties and the mediator concluded that settlement of this action would be facilitated significantly by continuing the mediation for approximately thirty days, by staying the deadlines in the litigation during that period, and by continuing certain dates by roughly thirty days as well;

WHEREAS, the Parties believe that to proceed with litigation activities over the next month and to meet the claim construction deadlines as currently scheduled would undercut the parties' settlement efforts and could well prove to be a waste of the Court's and the parties' time and resources.

IT IS HEREBY STIPULATED AND AGREED that except as expressly set forth below, all activities in this action shall be stayed until April 28, 2010, when the next mediation session is scheduled, and that certain pre-trial and claim construction deadlines should be rescheduled as follows:
